

Every career, scored

All 28, from safest to most exposed. Each bar runs from a field's most protected role to its most exposed one — the same six factors, the same weights, applied to every career. 1–10, where 10 is most exposed to AI.

CAREER

SAFEST 0 10 MOST EXPOSED

RANGE

Medicine		2.1 – 4.9
Dentistry		2.3 – 5.5
